The "Waste Disposal Site" was added to this notification via an updated form (e-mailed) to the EPA Region 8 office on 07/30/09 ( Chris Maksimuk). Both the first notifiacion and the second notification will be stapled together and filed. On 08/04/09 Maksimuk recd' another "notification" letter from This updated "notification" indicated Wasatch Metal Recycling was the firm responsible for the demolition of the building. The schedule for this demo was indicated for August 10 -- September 30, 2009. There are three (3) different notifications for this project. There are Parts A, B, and C. The contact for this project is Barry Jensen.
